Future Pathways Event: Information for Clinics

Where: AFC Bournemouth, Vitality Stadium, Dean Court, Kings Park, BH7 7AF
When: Saturday 28th March 2020
Time: 9am – 4pm
Contact: graduateopportunities@aecc.ac.uk

Details for the day:

1. Wi-Fi is available, you will need to register, details will be provided on the day.

2. You will be emailed a survey in February, so we can provide information to students about your clinic.

3. A sandwich lunch is provided on the day for each stand (1 per person, maximum of 2 per stand). Please ensure attendees are aware of the lunch provided. Please note that the venue does not provide additional food so attendees may bring their own if they wish. You will have the opportunity to request a sandwich via the survey mentioned above.

4. Presentations will run throughout the day, details are being confirmed and information will be published here: http://libguides.aecc.ac.uk/employability/Futures. Clinics are welcome to attend a presentation but priority for seats will be given to students.

5. Students will be encouraged to research the clinics they are interested in and to contact you on the day; students are advised to bring copies of their CV with them.

6. There are plug sockets in the rooms but it is unlikely these will be near your stand, do charge your devices before the event and bring a battery powerbank if you have one.

7. Each booking (Clinic) will be provided with a table; we cannot guarantee a table of a specific size, they range in size from 6 foot, 4 foot to 1.8 foot, the 1.8 foot tables can be provided in pairs (on the day) if required.

8. Drinking water and free tea and coffee (from a machine) are available all day.

9. Some ideas to help you stand out
   You may want to bring a pull-up banner for your clinic, a table cloth may make your stand look more professional and help your promotional material (for example, leaflets about your clinic, business cards etc.) stand out.

10. Please note that there will not be separate rooms for interviewing students, but there is space for quiet chats with students throughout the day.

12. Do look out for further updates on the Future Pathways page: http://libguides.aecc.ac.uk/employability/Futures

Graduate Opportunities, Student Services Team, February 2020.
